NOTIFICATION.

No. CI 106 MPI 62, dated Bangalore, 27th December 1962
(Pushya 6, Saka Era 1884).

In pursuance of sub-section (1) of Section 5 of the Mines and Minerals (Regulation and Development) Act, 1957, and after obtaining the approval of the Government of India, accorded under sub-section (2) of Section 5 of the said Act, the Government of Mysore are pleased to sanction the grant of a Prospecting Licence for Manganese to Shri G. B. Mahalinga Setty of Hubli, in the following areas of the Srisi Taluk, North Kanara District, on the terms and conditions mentioned below :—

Village	*S. Nos.*	*Area* Sq. Kilometer
Teliginkere ...	F.S. 54 and 55 (Parts)	... 100 Acres (One hundred acres only)

(As delineated in the plan accompanying the application).

Terms and Conditions :—

(i) The licence shall be operative for a period of two years with effect from the date of execution. The option to renew the licence for a further period shall be reserved to Government; (ii) the licensee shall pay to Government a prospecting fee of Rs. 2-50 per hectare of the land covered by the licence for each year or portion of a year; (iii) the quantity of Ore to be removed under this licence, both on payment of royalty and free of royalty, shall be in accordance with the limits prescribed under Rule 14(ii) and (iii) and under Schedule III respectively, of the Mineral Concession Rules, 1960. The royalty payable on the minerals shall be in accordance with the rates prescribed in second schedule to the Mines and Minerals (Regulation and Development) Act, 1957, and as amended from time to time; (iv) the licensee shall make available to the Government of India beryl or any other "substance prescribed" under Section 3 of the Atomic Energy Act No. XXIX of 1948, if they occur in the property under the licence; (v) the licence shall be subject to the rules issued under Sections 13 and 18 of the Mines and Minerals (Regulation and Development) Act, 1957 (No. 67 of 1957); (vi) if any other mineral is traced during the course of prospecting, the licensee shall report about the same to the Director of Mines and Geology and shall not work such mineral without obtaining prior permission of Government; (vii) the licensee shall furnish an accurate final map of the areas covered by the licence together with a description, giving the situation and boundaries of the areas duly attested by the licensee. The Director of Mines and Geology is

authorised to get the accurate final map with Survey Nos., etc., prepared and demarcation done before executing the licence if the licensee so desires and to recover the cost of the same from the licensee; (viii) the licensee shall, before the deposit is returned to him, submit confidentially to the Director of Mines and Geology from time to time or whenever required a full report of the work done by him and disclose all information acquired in the course of the operations carried on under the licence regarding the geology and mineral resources of the area covered by the licence; (ix) the licensee shall allow any officer authorised by the Central or the State Government to inspect at any time the area covered by the prospecting licence as also any accounts, plans and records maintained by him; (x) the licensee shall, before the licence is issued to him, deposit as security a sum of Rs. 200 for every Sq. Kilometre or part thereof for due observance of the terms and conditions of the licence; (xi) the licensee shall engage a qualified Geologist or a Mining Engineer to conduct the prospecting methodically; and (xii) thelicensee shall not give any Ore-raising contract during the prospecting stage; (xiii) the licensee shall have no right to include iron Ore in the mineral concession granted to him and (xiv) the licensee shall not dispose of Iron Ore obtained incidental to prospecting of manganese without obtaining prior orders from the Director of Mines and Geology.

By Order and in the name of the Governor of Mysore,

K. SESHADRI IYENGAR,

Under Secretary to Government,
Commerce and Industries Department.
